Central Washington University

For nearly a century Central Washington University has provided quality education for the citizens of the state of Washington. It is one of six state-supported institutions offering baccalaureate and graduate degrees.

Originally known as Washington State Normal School, the institution became Central Washington College of Education in 1937, Central Washington State College in 1961 and Central Washington University in 1977.

Now CWU is considered one of the top smaller comprehensive universities in the country. Central earned that distinction in Nov., 1983, when **U.S. News & World Report** published results of an extensive national survey of college presidents.

CWU tied for seventh place in the smaller comprehensive universities category for schools west of the Mississippi River and placed in the Top 15 in the nation.

Central is a residential university which offers one of the best living programs found anywhere. The accommodations, food and excellent staff provide for a rewarding experience.

Students have outstanding facilities for their learning experiences. More than half of the major campus buildings have been constructed since 1966. The excellent facilities do not stop with new buildings. Central has increased its total number of library holdings to 454,651. And campus technical facilities range from television studies to science laboratories.

The University's 350 acres include 100 classrooms in 21 academic halls and 28 student housing complexes. And Central's faculty has earned a reputation for academic quality and integrity. CWU's faculty are teachers above all else, and they take the time to meet the needs of their students.

Central, which was founded in 1891 with four teachers and 86 students, enjoys a setting convenient to the mountains in one direction and the desert in the other. Only minutes away through the surrounding farm and ranch lands of the Kittitas Valley are some of the best skiing and hunting in the state, as well as national parks, alpine lakes and meadows, wilderness areas and rushing rivers for fishing and floating.

Ellensburg is a small quite farming and ranching community which likes have a state university in its center.

DR. DONALD GARRITY/CWU President

Dr. Donald L. Garrity has been president of Central Washington University since Sept. 1, 1978. He is the University's ninth president.

He came to Central from San Francisco State University where he had been provost and chief academic officer for 12 years. As provost of the California university, he was the chief administrator below the president.

He joined the San Francisco State faculty in 1956 as an assistant professor of sociology. He rose in academic rank to a full professorship and served as chairman of the San Francisco State sociology department for six years.

Dr. Garrity, 57, earned a BA degree from Colorado State University in 1950 and a MA and PhD from the University of Washington in 1953 and 1966, respectively.

A specialist in criminology, Dr. Garrity has served as a consultant to numerous state and community agencies, including the California Department of Corrections and the San Francisco Police Department. He is a member of the American Sociological Association, the American Correctional Association, the Society for the Study of Social Problems and the American Association for Higher Education.

Dr. Garrity has served as chairman of the Council for Presidents and the Evergreen Conference Council of Presidents. He is a member of the Western College Accreditation Commission and is a former member of the Council on Postsecondary Education and the prestigious San Francisco Crime Commission.

Dr. Garrity and his wife Virginia have two grown sons, Michael and Craig.

DR. GARY FREDERICK/Athletic Director

Dr. Gary Frederick is completing his fifth season as CWU's athletic director.

Frederick, 47, has a long affiliation with Central. After graduating from Raymond High School in 1955 where he was all-conference in football, basketball and baseball, he enrolled at CWU.

Frederick lettered in football three years (1956-68) and earned second team all-conference honors in 1957 and first team honors in 1958 at offensive center.

He graduated in 1959 with a bachelor of arts degree in education and later earned a masters in physical education from Central and a doctorate in secondary education from the University of Idaho in 1974.

Frederick coached basketball and baseball at Thorp High School (1959-60); football, basketball and track at Waitsburg High School (1960-63) and football and baseball at Central Kitsap (1963-67) before returning to Ellensburg in 1967.

From 1967 until 1983, he served as an assistant football coach and was head baseball coach from 1968 until 1978 when he resigned to take over the chairmanship of the physical education department.

He gave up the chairmanship of the P.E. department when he was named to succeed Adrian "Bink" Beamer as athletic director in the fall of 1980.

Frederick is CWU's winningest baseball coach. In 11 seasons his teams won 234 games and lost 147 and qualified for the NAIA College World Series in 1968 and 1970.

For the past three seasons, Frederick has also served as CWU's women's basketball coach. This past winter he led the 'Cats to a 19-8 overall record and a third-place finish in the district. He was named the district's coach-of-the-year.

MISC.: Born 7-16-37 at Hoquiam. Wife's name is Bobbi. He has three sons, Brooke, 25; Rick, 23, and Rob, 22. Bobbi has two children, Anna, 15, and David, 13. District 1 baseball coach-of-the-year three times (1969, 1970 and 1971).

GARY SMITH/Athletic Trainer

Gary Smith, an assistant professor of physical education and CWU's athletic trainer since 1968, received a tremendous honor this winter when he was inducted into the NAIA Hall-of-Fame.

Smith, 46, is the first vice-president of the NAIA Athletic Trainers Association and will assume the presidency this fall. He is also a member of the NAIA Medical Aspects Committee and served as head trainer for the 1984 NAIA College Baseball World Series.

This spring Smith will serve as the trainer for Wayland Baptist College and a NAIA all-star basketball team on a tour to Israel and Greece.

Smith was born July 27, 1938, in Charlevoix, Mich., and graduated from Charlevoix High School in 1956. After a stint in the military, he attended North Central Michigan College earning an associate of science degree in 1962.

He earned a bachelor of science degree from Northern Michigan in 1964 and a masters of science degree from Indiana University in 1965.

CWU Coaching Staff

DALE EHLEH/Head Coach (Second year, 17-22)

Dale Ehler begins his second season as head baseball coach at Central Washington University this spring.

And the 41-year-old Ehler, who played four years of pro baseball in the Chicago Cubs organization, by all indications, has the program headed in the right direction.

Ehler directed the Wildcats to a second place regular season finish in the NAIA District 1 pennant race last spring. In the district playoffs, only a 14-inning loss to Pacific Lutheran kept the 'Cats out of the title game.

The CWU coach has brought new enthusiasm to the Wildcat program along with a solid playing and teaching background. He previously coached two seasons at Cottage Grove, Ore., and 11 seasons at Davis High School in Yakima. At Davis, he won 184 games and lost 104.

Ehler's 1983 Davis team won 24 games and lost just one, placing second in the State Class AAA tournament. In 11 years at Davis, he won five Big Nine titles and advanced to the regional playoffs six times.

In Ehler's first season at CWU, he led the 'Cats to a record of 15 wins and 24 losses. Twenty of the 24 losses came against either Pac-10 Northern Division schools or NAIA national champion Lewis-Clark State.

Whitworth College later forfeited two wins over CWU because it used an ineligible player giving Central a final record of 17-22.

The CWU head coach was born March 30, 1944, at Puyallup. He graduated from Enumclaw High School in 1962 where he lettered in football, basketball and baseball.

He was a two-time all-conference player in football. In baseball, he was a three-time all-conference player and earned all-state honors his senior year.

Ehler played two seasons of football and baseball at Yakima Valley College. In his freshman season, he was the Indians' top pitcher with a 6-3 record and 2.54 earned run average. In football, he led the Indians in scoring, passing, total offense, kickoff returns, punt returns and all-purpose running.

In his sophomore season, a knee injury cut short his football career, but in baseball, he compiled a record of 2-5 and a 4.13 earned run average. When he wasn't pitching, he caught.

Ehler transferred to the University of Oregon for his junior season. He played two seasons for the Ducks, earning All-Northern Division honors his senior year. He then signed a contract with the Chicago Cubs organization sandwiching a stint in the Marine Reserves around a three-year pro career.

He returned to Oregon in 1969 to complete work on his degree. He then coached two seasons at Cottage Grove before landing the Davis position.

Ehler is a strong believer that in order to have a good program you must have a good playing facility. Since taking over as head coach, he has developed Tomlinson Field into one of the best collegiate facilities in the Pacific Northwest.

Among the improvements have been a new playing surface, electronic scoreboard and batting cage.

MISC.: Selected Physical Educator of the Year in Yakima (1974). Manager of the Year for Legion baseball (1975). Wife's name is Gayle. They have one son, Brett, 12.

KEVIN MATTHEWS/Assistant Coach (First year)

Kevin Matthews, 25, is CWU's pitching coach. Matthews played for Ehler at Davis High School, graduating in 1978. He then played one season at Yakima Valley College and three years at Lewis-Clark State, earning all-district honors twice. He also coached one year at Lewis-Clark.

Matthews graduated from Lewis-Clark State in 1983 with a bachelor of science degree in physical education. He and his wife, Kristi, were married March 16.
